**POPULATION IN THE REGION BY SEWER SERVICE AREA  
APPENDIX O**

**Table O.1 (Continued)**

County and Sewer Service Area Name		Existing Population: 2010			Sewered Population: 2050	
		Sewered	Unsewered <sup>a</sup>	Total	Recommended Plan	High-Growth Scenario
Waukesha County	Big Bend	--	2,600	2,600	2,820	3,850
	Brookfield East <sup>g</sup>	17,360	--	17,360	19,850	21,320
	Brookfield West <sup>h</sup>	26,760	120	26,880	32,890	34,140
	Butler	1,800	--	1,800	1,900	1,900
	Delafield <sup>i</sup>	8,140	2,970	11,110	14,040	15,880
	Dousman <sup>i</sup>	2,710	2,020	4,730	5,970	10,310
	Eagle Spring Lake/Mukwonago Park/ Rainbow Springs	--	600	600	600	600
	Elm Grove	5,370	--	5,370	5,860	6,960
	Golden Lake	--	170	170	170	170
	Hartland	10,070	850	10,920	12,460	14,330
	Lake Country <sup>k</sup>	2,650	10,960	13,610	15,360	18,040
	Lannon	1,300	90	1,390	2,370	3,930
	Menomonee Falls East <sup>l</sup>	31,290	540	31,830	36,870	40,780
	Menomonee Falls West <sup>m</sup>	2,790	300	3,090	7,890	12,030
	Mukwonago (part)	7,380	1,330	8,710	13,250	15,350
	Muskego <sup>n</sup>	21,840	210	22,050	32,140	37,740
	Muskego South <sup>o</sup>	1,080	170	1,250	1,520	2,240
	New Berlin <sup>p</sup>	33,060	920	33,980	37,940	39,420
	Oconomowoc <sup>q</sup>	17,790	880	18,670	26,430	41,380
	Pewaukee <sup>r</sup>	23,520	1,640	25,160	36,960	43,410
Sussex/Lisbon	12,650	1,170	13,820	20,540	27,100	
Wales	--	770	770	1,520	2,310	
Waukesha	73,580	8,080	81,660	95,370	113,610	

<sup>a</sup> Existing 2010 unsewered population within sewer service areas envisioned under the recommended year 2050 regional land use plan—proposed to be sewerred under plan conditions.

<sup>b</sup> Includes George Lake Sewer Service Area.

<sup>c</sup> Includes Browns Lake Sewer Service Area.

<sup>d</sup> Includes Southern Wisconsin Center area.

<sup>e</sup> Includes Alpine Valley and Potter Lake Sewer Service Areas.

<sup>f</sup> Includes Country Estates Sanitary District Sewer Service Area.

<sup>g</sup> Includes area of the City of Brookfield tributary to the Milwaukee Metropolitan Sewerage District.

<sup>h</sup> Includes area of the City of Brookfield tributary to the Fox River Water Pollution Control Commission sewage treatment plant, along with small areas of the Village of Menomonee Falls and the City of New Berlin tributary to that treatment plant.

<sup>i</sup> Includes Village of Nashotah and Nemahbin Lakes Sewer Service Area.

<sup>j</sup> Includes Lower Genesee Lake, Pretty Lake, and School Section Lake Sewer Service Areas.

<sup>k</sup> Includes the following sewer service areas located generally east of the City of Oconomowoc: Ashippun Lake, Beaver Lake, Lake Keesus, North Lake, Oconomowoc Lake, Okauchee Lake, Pine Lake, and the Village of Merton.

<sup>l</sup> Includes area of the Village of Menomonee Falls tributary to the Milwaukee Metropolitan Sewerage District.

<sup>m</sup> Includes area of the Village of Menomonee Falls tributary to the Sussex sewage treatment plant.

<sup>n</sup> Includes area of the City of Muskego tributary to the Milwaukee Metropolitan Sewerage District.

<sup>o</sup> Includes area of the City of Muskego tributary to the Town of Norway Sanitary District No. 1 sewage treatment plant.

<sup>p</sup> Includes area of the City of New Berlin tributary to the Milwaukee Metropolitan Sewerage District.

<sup>q</sup> Includes the Village of Lac la Belle Sewer Service Area.

<sup>r</sup> Includes the City and Village of Pewaukee and Pewaukee Lake Sewer Service Areas.
