<sup>a</sup> Though the Milwaukee urbanized area's project selection exceeds the allocated \$38.7 million in American Recovery and Reinvestment Act Federal Highway Administration Surface Transportation Program-Milwaukee Urbanized Area (ARRA FHWA STP-MUA) funds by \$387,852, the City of Milwaukee and Milwaukee County have indicated that they expect to deliver their projects less than the listed project costs, and that they would supplement any excess costs above their allocation of ARRA FHWA STP-MUA funds as endorsed by the Advisory Committee on Transportation System Planning and Programming for the Milwaukee Urbanized Area and the Commission (\$216,213 City of Milwaukee and \$171,639 County of Milwaukee) with local funds should that be necessary.
