TO: SEWRPC Regional Water Supply Planning Advisory Committee

FROM: SEWRPC Staff

DATE: March 20, 2009

SUBJECT: CANCELLATION OF MEETING

This is to advise you that the next meeting of the SEWRPC Regional Water Supply Planning Advisory Committee has been cancelled. The meeting had been tentatively scheduled for Tuesday, March 31, 2009. However, during the last week of the public comment period for the preliminary recommended plan there were a large number of comments submitted which will require significant time to review and respond to. Thus, the revised meeting date is being left open. A notice of that meeting will be provide to you as soon as we have determined when the proper comment responses will be completed. An agenda and the meeting materials will be provided to you about 10 days prior to the meeting.

Thank you for your continued interest.
