

Get Moving with CommuteWISE: Employer Transportation Assistance

To move more people into active transportation modes and expand travel choices beyond driving alone, CommuteWISE provides financial assistance to organizations interested in starting or restarting commuter benefits programs.

Eligibility requirements:

- The organization must have employees that commute near I-94 between 70th Street and 16th Street
- A staff person to support the program
- Willingness to participate with CommuteWISE to collect “before and after” data to help gauge the outcomes of the funding

Funding opportunities:

Funding amount is dependent on the size of the organization and the program. The first round of funding will support discounts or subsidies for:

- micromobility (bikeshare or scooters)
- transit passes
- vanpools
- carpools
- Guaranteed Ride Home

2026 Spring funding
will be allocated by
May 31, 2026.
