Mr. Yunker stated that this amendment contains 12 projects and has been reviewed and unanimously approved by the Commission Advisory Committees for Transportation System Planning and Programming for the Milwaukee, Racine, and Kenosha Urbanized Areas, and that it has been determined that the projects included in the amendment are in conformance with the regional transportation plan.

In response to an inquiry by Ms. Russell, Mr. Yunker stated that the Keys-to-Work program, sponsored by the W-O-W Workforce Development Board (Waukesha, Ozaukee, and Washington Counties), is administered by the Wisconsin Department of Transportation. He stated that the program is funded with Federal Transit Administration, Job Access Reverse Commute funds, State funds associated with the Wisconsin Employment Transportation Assistance funds, and local funds.

**CONSIDERATION OF “PUBLIC PARTICIPATION PLAN FOR TRANSPORTATION PLANNING CONDUCTED BY THE SOUTHEASTERN WISCONSIN REGIONAL PLANNING COMMISSION”**

Chairman Stroik noted that copies of materials relative to the “Public Participation Plan for Regional Planning for Southeastern Wisconsin” had been provided to all Committee members for review prior to the meeting. He asked Mr. Yunker to briefly review these documents with the Committee.

Mr. Yunker identified and reviewed the four documents to be considered by the Committee (copies attached to Official Minutes). The four documents included: (1) a very brief pamphlet describing the Commission’s plan for obtaining public participation in its regional planning; (2) a longer, more detailed brochure-like document in a user-friendly format, presenting the Commission’s plan for public participation; (3) a detailed appendix for the Commission’s plan for public participation in regional transportation planning; and, (4) a document describing the process the Commission follows in consulting with local, State, and Federal governments and others in its regional transportation planning. Mr. Yunker stated that these materials were reviewed and approved, with one recommended change to increase advance public meeting notices to at least 10 days, by the Planning and Research Committee.

Chairman Stroik suggested that the brochures be printed on recycled paper and that the recycle symbol is also printed on the brochure. Mr. Yunker stated that staff will look into printing the brochures on recycled paper and then noted that all materials will be posted on the Commission’s website.

There being no further questions or comments, it was moved by Mr. Schmidt, seconded by Mr. Weishan, and carried unanimously, to approve the “Public Participation Plan for Regional Planning for Southeastern Wisconsin.”
