**Subject:** Revision to recommendation Pg 12-30 #3

#3 It is recommended that the State legislature continue to support funding for the publically funded Long Term Care programs such as Family Care, IRIS, and Family Care Partnership since these programs provide the major funding for home modifications which allow persons with disabilities and the elderly to maintain their independence in their homes and communities.

Also, just a suggestion to update the plan as new demographic data becomes available as we discussed.

Linda Olson
