OVERVIEW

The Southeastern Wisconsin Regional Planning Commission (Commission) is committed to ensuring that no person is excluded from, participation in, denied the benefits of, or otherwise subjected to discrimination on the basis of race, color, national origin, disability, sex, age, religion, income status or limited English proficiency (LEP) in any and all programs, activities or services administered by the Commission in accordance with Title VI of the Civil Rights Act of 1964 and related nondiscrimination authorities.

RIGHT TO FILE COMPLAINTS

The Commission uses the following procedures for prompt processing of all civil rights complaints relating to any program, activity or service administered by the Commission or its contractors, consultants, lessors receiving Federal financial assistance. PROCEDURES

Any person who believes they've been discriminated against by the Commission may file a complaint by completing and submitting the Commission's Complaint Form found at the end of this document.

This civil rights complaint procedure may also be used by the Commission to address, resolve, and close general complaints.

Every effort will be made to obtain early resolution of complaints at the lowest possible level. The option of informal mediation meeting(s) between the affected parties and the Commission Title VI Coordinator may be utilized for resolution, at any stage of the process. The Commission Title VI Coordinator will make every effort to pursue a resolution of the complaint.

Complaints can be submitted to the Commission in writing via email or by phone. Complainants are encouraged to complete the Complaint Form. Complaints received by telephone will be reduced to writing and provided to the Complainant for confirmation or revision before processing.

Complaints should contain the following information:

- ✓ The Complainant's contact information, including, if available: full name, postal address, phone number, and email address
- ✓ The basis of the complaint (e.g., race, color, national origin, disability, etc.)
- ✓ The dates of the alleged discriminatory act(s) and whether the alleged discrimination is ongoing
- ✓ The names of specific persons or respondents (e.g., agencies/organizations) alleged to have discriminated
- ✓ Sufficient information to understand the facts that led the complainant to believe that discrimination occurred in a program or activity that receives federal financial assistance

Complaints received will be acknowledged and processed, once the Complainant's intent to proceed with the complaint has been established.

INVESTIGATION OF COMPLAINTS

Complaints in which the Commission is named as the Respondent (i.e., the recipient/entity which a complaint of discrimination has been filed) shall be forwarded to the appropriate State or Federal agency for proper disposition, in accordance with their procedures.

The Commission will assume responsibility for investigating complaints against any of its contractors, consultants, lessors, etc.

To be accepted, a civil rights complaint must meet the following criteria:

1. The complaint should be filed within **180** calendar days of the alleged occurrence or when the alleged discrimination became known to the Complainant.
2. The allegation(s) should address a nondiscrimination protection such as race, color, national origin, disability, etc.
3. The allegation(s) must involve a program or activity of a federal-aid recipient, contractor, consultant, or lessor.

The Commission reviews and determines the appropriate action regarding every complaint.

When a complaint is received, the Commission will provide written acknowledgment to the Complainant within ten (10) business days. The Complainant is notified of the proposed action to be taken to process the allegation(s). The notification letter/email shall contain:

- ✓ The basis for the complaint
- ✓ A brief statement of the allegation(s) over which the Commission has jurisdiction
- ✓ An indication of when the parties will be contacted

The investigation conducted by the Commission consists of a personal interview with the Complainant(s). Information gathered in this interview includes but is not limited to information completed on the Complaint Form.

If more information is needed to address the complaint, the Commission may contact the Complainant. If a complaint is deemed incomplete or if additional information is requested, the Complainant will be provided thirty (30) business days to submit the required information. Failure to do so may be considered good cause for a determination of no investigative merit.

Within forty (40) business days of the acceptance of the complaint, the Commission will prepare an investigative report. The report shall include a narrative description of the incident, identification of persons interviewed, findings, and recommendation for disposition. Only reasonably qualified and trained investigators should conduct the investigation.

After the Commission reviews the complaint, one of two (2) letters and will be issued to the Complainant: a closure letter or a letter of finding (LOF).

- ✓ A closure letter summarizes the allegations and states there was not a civil rights violation and that the case will be closed
- ✓ A letter of finding (LOF) summarizes the allegations and the interviews regarding the alleged incident, and explains whether any disciplinary action, additional training of the staff member, or other action will occur

If the Complainant wishes to appeal the decision, the Complainant has ten (10) business days after the date of the letter of finding to do so.

DISMISSAL

A civil rights complaint may be recommended for dismissal for the following reasons:

1. The Complainant requests withdrawal of the complaint
2. The Complainant fails to respond to repeated requests for additional information needed to process the complaint
3. The Complainant cannot be located after reasonable attempts

LIST OF COMPLAINTS

The Commission shall maintain a Complaint Log outlining the list of complaints, investigations and lawsuits alleging discrimination. The list shall include the date the civil rights complaint, investigation, or lawsuit was filed, a summary of the allegation(s), the status of the complaint, investigation, or lawsuit, actions taken by the Commission in response, and final findings related to the complaint, investigation, or lawsuit.

The Commission will submit a log of all Title VI complaints received, and any additional pertinent records to the WisDOT, Title VI Office, as requested.
