

Kenosha County Division of Emergency Management
Southeastern Wisconsin Regional Planning Commission

Notice of Meeting and Agenda

KENOSHA COUNTY HAZARD MITIGATION PLAN LOCAL PLANNING TEAM

DATE: Monday, March 28, 2022
TIME: 2:00 p.m. to 3:00 p.m.
PLACE: Kenosha County Public Safety Building
Emergency Operations Center
1000 - 55th Street
Kenosha, Wisconsin

AGENDA:

1. Welcome and introductions: Lt. Horace Staples, Kenosha County Director of Emergency Management
2. Overview of hazard mitigation plan updating process: Chris Parisey, SEWRPC Senior Planner
 - a. Hazard mitigation goals as revised by the second plan update (Attachment 1)
3. Background on the third update to the Kenosha County Hazard Mitigation Plan: Chris Parisey
 - a. Overview of first three editions of plan
 - b. Main components to be reviewed and revised
 - c. Schedule for the plan update (Attachment 2)
 - d. Local Planning Team role
4. Hazard and vulnerability assessment exercise (Attachment 3): Chris Parisey
5. Adjourn

Chris Parisey
Secretary

HAZARD MITIGATION GOALS AND OBJECTIVES FOR KENOSHA COUNTY HAZARD MITIGATION PLAN

The following goals were established for the initial Kenosha County hazard mitigation planning program,¹ based, in part, upon goals previously established in watershed, park and open space, and land use planning programs.

1. **Land Use:** A spatial distribution of the various land uses that minimizes hazards and dangers to health, welfare, and safety, as well as further enhancing the economic base of the County, and will result in a compatible arrangement of land uses properly related to the existing and proposed supporting transportation, utility, public safety systems, and public facility systems.
2. **Natural Resources:** A spatial distribution of the various land uses which maintains biodiversity and will result in the protection and wise use of the natural resources of the County, including its soils, inland lakes and streams, groundwater, wetlands, woodlands, wildlife, and natural areas and critical species habitats.
3. **Transportation:** An integrated transportation system that, through its location, capacity, and design, will safely, economically, and effectively serve the existing and proposed land use pattern and promote the implementation of the land use plan, meeting the current and anticipated travel demand and minimizing the potential for accidents and the associated toll on life and property damage.
4. **Fire, Police, and Emergency Medical Services:** The provision of facilities necessary to maintain a high quality of fire and police protection and emergency medical services throughout the County.
5. **Stormwater and Floodland Management:** The development of a stormwater and floodland management system that reduces the exposure of people to drainage- and flooding-related inconvenience and to health and safety hazards and that reduces the exposure of real and personal property to damage through inundation resulting from flooding and inadequate stormwater drainage.
6. **Lake Michigan Coastal Erosion:** The identification of high erosion risk Lake Michigan shoreline areas and the development of a coastal erosion control program that reduces the exposure of people and real and personal property to shoreline erosion and bluff recession.
7. **Unpredictable Hazards:** The identification and development of programs that complement County and local emergency operations plans to mitigate the potential exposure to health and safety and the exposure of real and personal property resulting from a broad range of hazards which are unpredictable and not geographically specific in nature.
8. **Communications:** Communications interoperability throughout the County amongst all First Responders, so as to be able to quickly and effectively respond to any incident to prevent the loss of life and to save property.

WORK SCHEDULE AND DIVISION OF RESPONSIBILITIES FOR UPDATING THE KENOSHA COUNTY HAZARD MITIGATION PLAN

Task	Estimated Completion Date	Responsible Agency
Update Local Planning Team Membership	January 31, 2022	Kenosha County and SEWRPC
Local Planning Team Kickoff Meeting	March 28, 2022	Kenosha Co. and SEWRPC
Initiate Public Participation and Outreach	March 31, 2022	SEWRPC and Kenosha Co.
Survey Management Agencies Regarding Status of current Plan Implementation	May 30, 2022	SEWRPC
Develop Updated Community Profile	October 31, 2022	SEWRPC
Review and Update Identification and Description of Hazards	November 30, 2022	SEWRPC
Update Risk and Vulnerability Assessments	December 31, 2022	SEWRPC
Local Planning Team Meeting	January/February, 2023	SEWRPC and Kenosha Co.
1st Public Meeting to Review Hazard Identification and Risk Assessment	February 28, 2023	SEWRPC and Kenosha Co.
Revise Draft Plan Based on Public Comment	March 31, 2023	SEWRPC
Review and Update Established Hazard Mitigation Goals and Objectives	April 30, 2023	SEWRPC
Develop Updated Mitigation Actions	May 15, 2023	SEWRPC
Develop Updated Plan Maintenance Process	May 31, 2023	SEWRPC
Local Planning Team Meeting	March/June, 2023	SEWRPC and Kenosha Co.
2nd Public Meeting to Review Draft Plan	June 30, 2023	SEWRPC and Kenosha Co.
Revise Draft Plan Based on Public Comment	July 15, 2023	SEWRPC
Submit Draft Plan Update to WEM for Review	July 31, 2023	SEWRPC on Behalf of Ken Co.
Revise Plan Based on State Review	November 30, 2023	SEWRPC
Submit to FEMA for Approval Pending Adoption	December 31, 2023	SEWRPC on Behalf of Ken Co.
Formal Adoption	April 30, 2024	Kenosha Co.
End of Performance Period	May 24, 2024
