Green & Healthy Schools

LearnDeep
MILWAUKEE

2022-23 Fellows

Why
We want our students to feel included, valued, and respected for what they can bring to their work, their school, and their community.

How
Real-world inquiry projects designed and implemented in collaboration with community partners

What
Student driven exploration and design challenges:
 School Culture
 School Building
 School Grounds
 School Community

●●●●● Social Media

- Have you looked at the social media for SEWRPC?
- Note the community partner and primary organizational engagement done with the Public Involvement and Outreach Division

EJTF

What else should
PIO be doing?
