

TRANSIT SURVEY: Tell Us About Your Trip!

In the Fall of 2023, the Southeastern Wisconsin Regional Planning Commission (SEWRPC), in cooperation with the transit operators in the Region, will be conducting an on-board travel survey to ask you about your transit trip. If you receive a survey during your trip, please fill it out.

Here are some facts about the transit survey:

- This survey includes questions about your trip: where you are coming from, where you are going to, and some general questions about you
- An online version of the survey will also be available
- This survey is administered every 10 years to coincide with the Census and will help us better understand your travel needs and to plan for the future of transit travel around Southeastern Wisconsin
- All the information you share is anonymous and is only used for planning purposes
- Each paper survey has pre-paid return postage so you can fill it out later if you need more time
- Translation services can be requested
