MEMORANDUM

TO: All Members of the SEWRPC Advisory Committee on Transportation System Planning and Programming for the Milwaukee Urbanized Area

FROM: SEWRPC Staff

DATE: September 15, 2009

SUBJECT: PROPOSED AMENDMENT TO THE 2009-2012 TRANSPORTATION IMPROVEMENT PROGRAM FOR SOUTHEASTERN WISCONSIN

One proposed amendment to the 2009-2012 Transportation Improvement Program (TIP) for Southeastern Wisconsin is provided in Exhibit A to this memorandum. This proposed amendment represents the addition of a new project to the TIP. The proposed amendment may not be expected to affect the implementation schedule of other projects currently programmed in the TIP, and the entire TIP as amended may be expected to remain consistent with projected available funding.

This amendment is exempt from the requirement to conduct an air quality conformity, or regional emissions, analysis with respect to the State of Wisconsin Air Quality Implementation Plan, as the project entails environmental enhancement activities.

We ask that you indicate your approval or disapproval of the proposed amendment to the TIP via email. Please review the proposed amendment, and indicate your approval or disapproval no later than Wednesday, September 23, 2009.

Should you have any questions concerning the proposed TIP amendment being transmitted with this memorandum for your consideration and action, please do not hesitate to call.
