The above project is being amended to reflect an increase in estimated right-of-way costs in the year 2015 from \$500,000 to \$3,000,000, including the addition of \$2,400,000 in Federal Highway Administration Surface Transportation Program-Milwaukee Urbanized Area (STP-M) funding, and an increase in local funds from \$500,000 to \$600,000. The STP-M funding allocated to this project represents the remaining \$2,400,000 of the \$15,300,000 in STP-M funding that was originally approved in the years 2010-2012 STP-M funding cycle--under the previous selection process--for Waukesha County's project to reconstruct with additional lanes of CTH D between Calhoun Road and the east Waukesha County line.
